

VEOLIA ENVIRONMENTAL SERVICES TO BEGIN CURBSIDE SOLID WASTE and RECYCLE COLLECTION WITHIN THE VILLAGE OF PLOVER

On May 18th, Veolia Environmental Services began providing curbside solid waste and recycling collection services for the Village of Plover.

Residents who had carts with Wittenberg Disposal and would like replacements will need to call Veolia's customer service department at 800-262-3101, 7:00am to 4:30pm to request a cart. A 96 gallon cart can either be rented or purchased for the following:

- Rental (must pay 6 or 12 months in advance): \$3.00 per month
- Purchase: \$53.00

PLEASE NOTE: Solid Waste collection days will remain the same within the Village; however the sequence of collection routes will change, so residents are advised that their pickup may not occur at the **same time** as in the past. Residents must place their solid waste and recyclables at the curb no later than **5:30AM** on the day of collection. Recycling collection will take place bi-weekly on the same day as solid waste collection.

Large item and appliance collection can be arranged for a fee and will take place on the **second Tuesday** of each month. Scheduling will take place at the time of sticker purchase at the Village Municipal Center, Monday-Friday, 7:30am-4:30pm. Fees range from \$10.00-\$15.00 for bulky items and non-Freon containing appliances and \$25.00 for Freon containing appliances. (See website www.ploverwi.gov for a pricing list.

Any additional questions can be addressed by calling Veolia ES Solid Waste, LLC Customer Service: 800-262-3101, Monday-Friday, 7:00am to 4:30pm OR Bonnie at the Village Hall Monday-Friday, 7:30am to 4:30pm.
