

ROAD CLOSURE

COUNTY ROAD R TENTATIVELY SCHEDULED FOR CLOSURE TUESDAY, MARCH 14, 2023 FROM ROOSEVELT DR TO BLUEBIRD DR.

CTH R is tentatively scheduled to be closed by the Portage County Highway Department and WPS as part of their reconstruction project for CTH R. Both parties decided it would be safest to close County Road R from Roosevelt Drive to Bluebird Dr while underground utilities get replaced as part of this project update.

The closure is scheduled tentatively for Tuesday, March 14, 2023. They are anticipating this closure to last approximately 6 weeks. There will be a hard closure on the north end, and a soft closure on the south end to allow residents, emergency vehicles, etc. to gain access to the houses in the closure area. They will be detouring traffic to Hoover Avenue during this scheduled project update.

**By order of the Portage County Hwy Department
and Wisconsin Public Service
Portage County, Wisconsin**
